

# Rock Creek Homeowners Association

## March 2023

## Objective of the HOA?

If you own a home in Rock Creek, congratulations! You are a member of the Rock Creek Homeowner's Association (HOA). The HOA is a non-profit organization incorporated within the County of Cleveland County. The HOA Board of Directors (BODs) is a group of volunteer residents who oversee HOA matters and are governed by Bylaws, which are filed with the county. The BOD consists of approximately 3-5 people at any given time. The HOA has a contract with Neighborhood Services Corporation (NSC) for billing, accounting, and other administrative support. NSC is not responsible for overseeing and/or administering HOA matters with residents.

## What the HOA is not?

The HOA is not a property management company that is paid to make decisions and maintain the HOA common areas. Every member of the HOA pays the same annual dues. The HOA does not maintain the streets/sidewalks. Please contact the City of Moore at (405) 793-5000 for streets, sidewalks, and speeding concerns.

## Most Common Covenant Violations

- Trailers parked at the residence
- Parking in the street overnight
- Trash cans left out past pickup day
- Not maintaining the home in accordance with the Covenants, Conditions, & Restrictions (CCRs)
- Significant changes in appearance that violates the covenants and/or was not approved by the Architectural Committee

## How can I help?

We have 564 homes in the HOA. Without volunteers, the HOA will not exist. The pool would not be maintained and common areas would likely be turned over to the City or County. If you would like to help, please contact us by e-mail. We are always looking for people to volunteer to help around the neighborhood and be involved in committees (pool, architectural, social, etc.)

## Frequently Asked Questions

- How do I get a pool card? **We announce spring/summer dates of issue on our Facebook page and by email list. They will also be issued at our annual meeting. E-mail us to get on our e-mail list.**
- What do I do if someone is violating the covenants? **E-mail us the address of the violation and details of the issue.**
- How can I contact the HOA Board? **E-mail us at [RockcreekHOAboard@gmail.com](mailto:RockcreekHOAboard@gmail.com)**
- How do I file a change/improvement with the architectural committee? **E-mail us a detailed plan of your request. According to the covenants, the BOD/ARC have up to 30 days to respond.**
- How can I get a copy of the Covenants, Conditions, and Restrictions (CCRs)? **The CCRs are available on our website. There are currently multiple CCRs depending on when your home was built. We have an ongoing effort to consolidate the CCRs into one document.**
- I was told the neighborhood was getting a second pool? **The HOA does not possess property to accommodate a second pool and if we did and installed a 2<sup>nd</sup> pool, we would have a significant increase in dues to install and maintain it.**
- Are my dues going to increase? **Dues in 2023 are staying at \$280. The few volunteers we have are committed to keeping dues as low as possible. The more we contract out, the higher the HOAs costs and therefore dues. As the neighborhood ages, the cost to maintain the pool, playground, etc. increases. We will likely see an increase in dues in the next 1-2 years.**
- Can you post about my lost animal? **Due to the number of homes, we only post HOA matters on our Facebook page. Try the Nextdoor app**
